Identical letters dated 15 October 2014 from the Permanent Representative of Lebanon to the United Nations addressed to the Secretary-General and the President of the Security Council

On instructions from my Government, I should like to inform you that, at 1325 hours on 5 October 2014, an Israeli enemy patrol opened fire from inside the Shab'a Farms towards a Lebanese Army observation post on the outskirts of Shab'a town in Saddanah district. A Lebanese soldier was wounded in the attack.

I should like to reiterate that my Government honours its commitments under international resolutions. I call on the Security Council to condemn this attack in the strongest possible terms and compel Israel to bring an end to its violations of Lebanese sovereignty by air, sea and land, and fulfil all of its obligations under Security Council resolution 1701 (2006).

I should be grateful if you would have the present letter circulated as a document of the General Assembly, under agenda item 35, and of the Security Council.
